## ONE CALL GETS YOU OUT!

**Atlantis Bail Bonds is Sacramento's premiere bond agency. We have more than 50 years experience helping our clients in difficult times. We know the court system inside and out, and use our expertise to get your friend or relative out of custody as quickly as possible.**

We understand that the loss of freedom is a devastating experience. For someone who is detained, minutes seem like hours. They need representation that can get them released fast, at an affordable price. Atlantis Bail Bonds has agents standing by 24 hours a day, seven days a week. When you call, our agents act quickly to streamline the process of getting your family member or friend out of jail without delay!

### Convenient

Our offices are just one short block from the main jail in downtown Sacramento and there is ample parking directly across the street. Our professional agents are available at all times to service all surrounding County jails. We are experts in the details of processing the paperwork required for release. Our experienced professionals can walk you through the process and arrange a quick release with a minimum of hassle.

### Affordable

Our bail services are not only fast, they're affordable too! We have the lowest rates in town and even offer discounts for clients who have already retained an attorney, labor union members, active military, and AARP members (qualifications apply). We want to help you let your friend or relative regain their freedom quickly, at a price that's within your budget. In many cases, bail can even be arranged over the phone with a credit card! We accept VISA, MasterCard, American Express and Discover!

### Knowledgeable

At Atlantis Bail Bonds we represent clients facing a wide range of charges, including felony DUI, domestic violence, and even "1275" bonds. Although our main office is in Sacramento, we can arrange bail for clients detained in any county in California and in most counties nationwide (upon availability, please inquire). **If you are concerned that you may have outstanding warrants, just give us a call and we will do a warrant-check, free of charge!**

**For your convenience, we have local numbers in your area!**
